PROFILE SUMMARY

Computer Science student at Charles Darwin University graduating in 2026 with experience in software development, data systems, and IoT technologies. Active contributor to the Northern Territory tech community through roles including Study NT Student Ambassador, GovHack NT Regional Tech Lead, and Technical Lead for the CDU IT Student Association. Interested in supporting digital transformation and data-driven initiatives.

CORE COMPETENCIES

Leadership & Mentorship: Leads student teams, coordinates events, and guides hackathon participants across technical and creative challenges.

Communication: Top 3 in public speaking - Darwin New Voices 2025; experienced in translating complex tech for non-technical audiences and government stakeholders.

Cross-cultural Collaboration: Represents 4,000+ international students as NT Government liaison; multilingual across English, Vietnamese, Chinese, Spanish & French.

Event & Project Coordination: Plans and delivers workshops, hackathons, and industry speaker events from end to end.

Adaptability: Thrives across roles - from live sports data collection under 5-second deadlines to leading 48-hour hackathon teams.

Problem-solving under Pressure: Maintained 97%+ accuracy across 150+ live matches; guided teams through rapid prototyping with strict time constraints.

TECHNICAL SKILLS

- | | |
|---|---|
| <ul style="list-style-type: none">• Programming:
Python, C#, C/C++, Java, SQL• Data & Cloud:
Python data analysis, ETL concepts, SQL databases, Google Cloud fundamentals• Systems & Infrastructure:
Windows, macOS, Linux, networking fundamentals (TCP/IP), system troubleshooting | <ul style="list-style-type: none">• Web & Application Development:
React, Django, PostgreSQL, REST APIs• Hardware & IoT:
ESP32, sensor integration, MQTT telemetry pipelines• Tools:
Git, GitHub, Bitbucket, VS Code, JIRA, Microsoft 365, Figma |

EXPERIENCE

2026 Student Ambassador at Study Northern Territory

Dec 2025 – Present

- Selected as one of 20 ambassadors from a Territory-wide applicant pool to represent over 4,000 international students in the Northern Territory.
- Act as a liaison between the international student community and the NT Government, providing feedback on student wellbeing, employability, and student experience initiatives.
- Participate in leadership, public communication, and cultural intelligence training while supporting engagement activities that promote international education in the NT.

Technical & Project Lead at Information Technology Student Association (ITSA)

Mar 2026 – Present

- Lead planning and delivery of technical initiatives for CDU's IT student community, including workshops, hackathons, and collaborative coding events.
- Coordinate with industry speakers, university staff, and student teams to organise technology-focused events such as GovHack participation.
- Support student skill development through hands-on sessions and collaborative projects in software development and emerging technologies.

Regional Tech Lead at GovHack NT

Aug 2025 – Present

- Supported 100+ participants across AI, data engineering, and rapid prototyping challenges
- Collaborated with organisers to ensure event operations, technical workflows, and judging processes ran smoothly
- Advised teams on idea validation, project scope, and feasibility under a 48-hour hackathon deadline

IT Technician at Harvey Norman

Jan 2026 – Present

- Diagnose and resolve hardware and software issues across Windows computers and mobile devices.

- Configure operating systems, perform data transfer, and install software for reliable system performance.
- Troubleshoot networking and peripheral connectivity issues and communicate technical solutions to non-technical customers.

NorZone Premier League Data Collector at IMG Arena

Dec 2023 – Nov 2025

- Operated specialized data collection software to log match events under strict 3–5 second deadlines, maintaining >97% accuracy across 150+ matches.
- Maintained composure and data integrity in a high-pressure, fast-paced live environment.

Software Developer Intern at True Blue

Dec 2024 – Feb 2025

- Designed user-friendly mobile interfaces using Figma and built responsive features in React Native.
- Troubleshot cross-platform compatibility issues to ensure the app functioned smoothly on both Android and iOS devices.

Software Engineer Intern at Aubot (Remote)

Nov 2024 – Mar 2025

- Worked with a team to develop 9,500+ Python and Java exercises and test 4,000+ Python tasks under the mentorship of Marita Cheng, founder of Aubot and Young Australian of the Year 2012

TECHNICAL PROJECTS

IoT Digital Twin for Smart Agriculture | *ESP32, Python, MQTT, Hardware Integration*

- Built a multi-sensor IoT monitoring system streaming real-time environmental data to support automated irrigation and smarter farming decisions.

GovHack FAQ Chatbot | *Diagflow, Web Integration*

- Developed a chatbot that automated responses to complex competition rules, improving access to information for GovHack participants.

BookWormia – Mobile Application | *React Native, Mobile Architecture*

- Delivered a cross-platform mobile application enabling users to browse, rate, and manage books through an integrated mobile interface and backend database.

EDUCATION

Charles Darwin University | Darwin, Australia

July 2023 – Present

Bachelor of Computer Science (Expected Completion: June 2026)

- **GPA:** 5.684/7.0

Ho Chi Minh University of Technology (HUTECH) | Ho Chi Minh City, Vietnam

Oct 2021 – June 2023

Bachelor of Information Technology

- **GPA:** 3.65/4.0 – **Major GPA:** 3.93/4.0

HONOURS & CERTIFICATES

- Runner-up - Coding Competition, IT Code Fair 2025
- 3rd Place - Business Innovation Challenge, IT Code Fair 2025
- GovHack Spirit Award Winner, NT 2023
- Top 3 - New Voices Public Speaking Darwin 2025
- \$1000 Talent Scholarship - Highest GPA in IT Faculty (HUTECH, 2022)

Certifications: Google Data Analytics (Coursera), Machine Learning (Imperial College London), Code Up NT Internship

LEADERSHIP AND COMMUNITY INVOLVEMENT

- Student Leader: AWESOME Program, CDU Career Centre (*Nov 2025*)
- Volunteer: Darwin Google Developer Groups Volunteer (2025 – Present)
- Volunteer: Inspired NT CDU STEM Outreach Program (2025 – Present)

LANGUAGES

- **English:** Full Professional Proficiency (IELTS 7.0), **Vietnamese:** Native, **Chinese, Spanish & French:** Basic
